### Is this course for me?

Want to make the most of your ICT suite? Need some subject-specific training? Find out how to make your ICT suite into a multimedia suite, and to use it effectively to practise all four language skills.

### Course content:

- Creating interactive worksheets and effective Internet activities using authentic websites
- How using ICT can fulfil the New MFL Curriculum
- How pupils can use all four language skills in an ICT suite
- The use of ICT for peer and self assessment
- French, Spanish and German and KS3 and KS4 examples
- Examples of using the moving image effectively and ways to download and exploit Youtube and other freely available videos

### You take away:

- A CD-ROM of ready made teaching activities and idea
- Comprehensive handouts

### Course Director:

Wendy Adeniji: Considered a national expert on using ICT in MFL teaching, Wendy is a consultant for BBC Education, CILT, the QCA and Comenius centres. She delivers regular training to Local Authorities and schools and is the MFL Moderator for the teacher Resource Exchange. She produces teaching materials for Heinemann and is a Regional Support Advisor for the new Modern Languages Curriculum.
