

Using songs, sound and phonics creatively to teach Primary Languages

Newcastle, Wed 18 June	10 - 3.30
Kensington, London Mon 30 June	10 - 3.30
Birmingham, Wed 2 July	10 - 3.30

Is this course for me?

This course is for teachers of a foreign language at primary schools who would like to find out how to use songs and sound creatively in the classroom and integrate them into other ICT applications such as the interactive whiteboard.

Course content:

- Examples of French, Spanish and German songs and how to exploit them
- How to integrate songs into interactive whiteboard activities such as Powerpoint, Smartboard and the Promethean ActivBoard
- How to record and edit sound files using free software and how to insert these into activities
- Examples of free internet sites with songs and sound
- Using songs to develop phonics in the foreign language
- Hands on practice with all the software demonstrated

You take away:

- A CD-ROM of ready made activities using the Interactive whiteboard and Word
- Comprehensive handouts

Course Director:

Wendy Adeniji: Wendy is a consultant for BBC Education, CILT, the QCA and several local authorities, specialising in training teachers of primary Modern Languages. She delivers regular training to LEAs and schools and speaks regularly at Primary Regional Support groups. She produces teaching materials for Heinemann, Becta and Heinemann. She also teaches Modern Languages in a primary school.
