Is this course for me?

This course is for teachers of a foreign language at primary schools who would like to find out about the best books in the foreign language to use in their classes, and how these can be integrated into other ICT applications such as the interactive whiteboard and with drama and games.

Course content:

- Examples of the best stories in French, Spanish and German, some well known fairy tales such as Goldilocks, Red Riding Hood and the Three Little Pigs, and others from the target language culture
- How to use Powerpoint, Smartboard Notebook and ActivPrimary to create big books
- How to make your stories interactive and encourage children's use of the language through prediction
- How to create ICT based follow up activities
- Hands on practice

You take away:

- A CD-ROM of ready made stories and activities using the Interactive whiteboard and Word
- Comprehensive handouts

Course Director:
